

CALI[®] vinyl bc premium

Aged Hickory

A Thicker, Tougher Luxury Plank

As the latest CALI Vinyl evolution, the exclusive BC Premium collection offers a stronger, thicker plank with a 22mil wear layer -- CALI's highest performing yet. More robust surface protection and a stronger SPC core allow for extreme installation versatility. Never one to sacrifice comfort for strength, BC Premium planks come with attached IXPE acoustic padding for improved sound insulation, quieter steps, and cozier rooms. Ultra realistic wood grains and a palette of CALI's most popular colors promises flooring that is as beautiful as it is durable. As with all CALI Vinyl flooring, planks are 100% waterproof, pet-friendly, and backed by a 50-year residential and 15-year commercial warranty. "

Thicker Wear Layer

At 22mil, this premium wear layer is the thickest of any CALI Vinyl floor. Extra scratch resistance makes planks perfect for high traffic spaces and commercial projects.

Tougher Planks

Planks boast a 5.5mm overall thickness, compared to 4.7mm of the original Builder's Choice. A 22% thicker SPC core delivers a stronger locking system and faster installations.

Designed Responsibly

FloorScore certified, low VOC, and backed by a 50-year residential warranty, CALI Vinyl is made without toxic chemicals, making it safe for homes, hospitals, children, and pets.
